

# Academic English for Journal Publications

## Venue: Worcester College of the University of Oxford

### Intensive Course: 25.03. – 28.03.2019

- ◆ An excellent opportunity to improve your academic writing skills, style, coherency and flow in English for your research papers, journal articles and presentations.
- ◆ Our lecturers will work with you on these topics in the inspiring atmosphere of the University of Oxford in the heart of the city during an intensive 4-day course and provide you with individual feedback and room for practical implementation.
- ◆ In addition, you will get insights, hints and impulse lectures from a journal editor and reviewer about the review process, cover letters and conference presentations.
- ◆ Furthermore, you will enlarge your personal network with other academics by enjoying our social side programme which includes ghost-punting, fudge-making and guided walks through the wonderful town and colleges of Oxford.

Fee: GBP 620, - for the academic programme.

Travel and accommodation, optional social side events and lunches/dinner are not included in the fee.
